Peace Hills Adventist School, hereafter referred to as PHAS is a coeducational day school for grades K-9 just outside of Wetaskiwin Alberta located 4 kilometers north of Wetaskiwin on Highway 814. It is operated by the Wetaskiwin Seventh-day Adventist church in conjunction with the Alberta Conference of Seventh-day Adventists.

PHAS is governed by a School Board composed of elected members from the constituency of the Wetaskiwin Seventh-day Adventist Church. Meetings are held monthly.

PHAS is operated for students who understand and comply with the school's programs and regulations and want to be in a school environment where students experience the love of God.

PHAS is run by the Alberta Conference of Seventh-day Adventists and accredited and funded by the Alberta Government. All teachers have a valid Alberta teaching certificate and teach the Alberta curriculum with a Christian perspective.

PHAS was first opened in 1989 in its current location when the Seventh-day Adventist church built PHAS. It was a vision of the church that they have a church school as an integral part of their congregation. It began as a one-room school with 9 students and has expanded to three teachers in numerous years. Since opening the school, many students have graduated from grade 9 and moved on to successfully complete 10-12 in other schools in the area. PHAS has upgraded the playground (after 5 years of fundraising) in 2016.

The founders of PHAS believe wholeheartedly in the principles of Christian education and worked to begin a legacy serving the Wetaskiwin Seventh-day Adventist Church and the Wetaskiwin area.

- If it enhances Christianity, it's OK.
- If it increases learning, it's OK.
- If it builds people, it's OK.

PHAS Board:

The PHAS Board members are elected by the Wetaskiwin Seventh-Day Adventist Church to serve a term of office up to three years with an option of re-election. The Board is comprised of current/past parents of students as well as current church members. It serves to oversee the overall policies and operation of the financial, administrative, and admission procedures of the school and to ensure a nurturing, rich academic and spiritual atmosphere. Monthly board meetings are called each month (Sept-June). Parents and constituent members of the church are welcome to attend as observer/s providing prior notification is given to the school office. An observer cannot voice opinions or vote on motions.

Early Childhood Services:

The ECS program adopts the school philosophy as stated and accentuates learning and responsible decision making.

However, no particular religious affiliation is required for admission. Anyone who sincerely desires a Christian education and is willing to uphold the standards and purposes of this school is invited to apply.

New registrants will have an entrance interview at the school after completing the registration forms during a meeting with the admissions committee.

It is understood that when applications are made for admission to the school all students thereby pledge

themselves to follow the regulations and to live in harmony with the ideals and policies of the school.

School Entrance Age

- Kindergarten to Grade Nine - \$250
- K-9 Technology Fee: \$100

Tuition Fee:

In lieu of tuition, parents are encouraged to make financial contributions through the Wetaskiwin Seventh-Day Adventist Church to receive tax deductible receipts. These will need to go to the church treasurer with the indication that the money is to be donated to PHAS. Envelopes can be picked up at the school office.

Tuition for enrollment after Sept 30:

- The registration fee will be pro-rated at \$25/month for the number of months left in the school year.
- The monthly tuition will be \$100/month per child, with a maximum of \$150/month per family.

Textbooks:

The school provides textbooks. These books can be very expensive. If loss or damage over and above normal wear and tear occurs students will be charged the replacement cost.

Privacy Act

The *Personal Information Protection Act* (PIPA) ("the Act") protects the personal information of the public and employees of private sector organizations operating in Alberta. It governs the collection, use and disclosure of personal information by organizations in a manner that recognizes and balances the right of an individual to have his or her personal information protected, and the need of an organization to collect, use or disclose personal information for purposes that are reasonable.

PHAS is bound by the requirements of this Act and collects, uses or discloses personal information in accordance with its provisions.

To this end, parents will be requested to sign a permission form for their child(ren) as part of the Registration process to acknowledge acceptance of the privacy policies of PHAS.

Appeal Process for Denied Admission:

Any student denied entrance into the program, may appeal the decision by sending a letter to the School Board. The letter shall outline all reasons given for denial of application and provide any information that refutes such reasons. The School Board will review the information and render a decision. In cases where the concerned party is dissatisfied with the Board's decision on the appeal, a further appeal may be made to the Superintendent of Schools for the Alberta Conference of Seventh-day Adventists. The Superintendent will render a final decision on the appeal, and no further appeals will be considered.

Foreign and Transferring Students:

All students requesting a transfer to PHAS will be interviewed by the principal. Registration after the first day of school can take up to 2 weeks to process.

Academic Program and Policies:

Philosophy:

Each student at Peace Hills Adventist School is capable of achieving academic success. For some, this success comes more easily than others, but each student has the ability to reach their greatest potential. The teachers at PHAS are committed to creating an environment that is conducive to learning and helping each student achieve their very best

Grading System:

PHAS teachers from grades K-9 use the grading system set out by the Alberta Conference of the Seventh-day Adventist Church. Parents and students (K-9) will be able to access grades at any time using PowerSchool, an online grading program. This allows students to take responsibility for ensuring that all their homework is handed in, and to keep track of how they are doing in class.

Academic Advancement:

A student's academic advancement is determined by how prepared a student is to handle the next level. At PHAS, students advance by grade level. *Students who fail (49% or lower) more than three core subjects will be recommended to not advance.*

Report Cards:

Communication about student progress is of crucial importance. Report cards are issued three times a year and are accompanied by an interview with the teacher twice a year. Informal reporting also occurs throughout the year. Parents and students are encouraged at any time to contact your teacher with any questions, concerns or comments.

Grade Scale for Grades K-4

- 1: Proficient** (Exceeds Expectations)
- 2: Very Good** (Consistent)
- 3. Satisfactory** (Progress with Support)
- 4: Needs to improve** (Lack of understanding key concepts)

Grade Scale for Grade 4-9			
Excellent	Above Average	Satisfactory	Below Average
A+ 96-100%	B+ 82-84%	C+ 70-74%	D 50-59%
A 90-95%	B 78-81%	C 65-69%	Unsatisfactory
A- 85-89%	B- 75-77%	C- 60-64%	F 0-49%

Student/Parent-Teacher Conferences:

Parents are encouraged to schedule a conference after report cards are issued for each student and their families to review and discuss in depth the student's progress. It is an opportune time to come prepared to share ideas, concerns, praise, encouragement, and to see their children's work.

Canadian Achievement Test

In June, grades 2-5,7-8 students write the CATs. These tests are designed to assess student progress. These tests cover the areas of Language Arts, Math, and Reference Usage.

Provincial Achievement Test:

In May and June all Alberta students in grades 6, and 9 are expected to write provincial tests for their grade levels. The tests are designed to show how well students are meeting the provincial standards. Grades 6 and 9 students write tests in Math, Language Arts, Science, and Social Studies.

Attendance:

The goal for all students and parents should be perfect attendance, but sometimes emergencies occur and it is not always possible to be in school. Plan ahead with your teacher to make up schoolwork. Students (and parents) are responsible for days missed. In the case of unforeseen absences, please call, text or email the homeroom teacher by 8:30 am to keep your teachers informed. Exceptions may be made only if a request has been made to the teachers prior to the absence.

Tardiness:

Students are expected to be in their classes on time and prepared to learn. Students should arrive on time but not prior to 8:00 am. Exceptions should be arranged in advance with the homeroom teacher. Students are expected to go directly home after dismissal each school day.

Illness:

If your child becomes ill during the school day, you will be notified. PHAS has room for short-term care until the parent/guardian arrives. Please do not send a sick child to school since there are limited facilities for care or comfort and illness may spread to others.

Student Life:

Student Behaviour:

Principles of Christian conduct are upheld at PHAS. Honesty, courtesy, reverence, purity, and obedience are emphasized. As per section 31 of the Education Act, It is

understood that when applications are made for admission to the school, all students thereby pledge themselves to follow the regulations and to live in harmony with the ideals and policies of the school. Students are required to:

- show respect for God, the Bible, and the religious ideals of the Seventh-day Adventist Church
- show respect for self and others by refraining from:
 - the infliction of injury
 - insubordination (rebellion)
 - bullying
 - cheating, stealing, dishonesty
 - inappropriate association with members of the opposite sex
- show respect toward the property of the school and the property of others
- use language that is free from profanity
- attend school punctually and regularly
- maintain a cooperative attitude
- seek out constructive entertainment, recreation, and leisure time activities
- bring to school only those items required for regular school use and approved activities (items such as knives or weapons, matches/lighters, occult objects, and obscene literature are not acceptable)
- refuse to possess or be under the influence of any mind-altering substance such as alcohol, tobacco, or non-medical drugs
- keep electronic devices such as personal sound systems, cell phones and electronic games out of use during the school hours of 8:20 a.m. - 3:35 p.m.
- have proper authorization before leaving school grounds or taking other students from the school grounds during school hours of 8:20 a.m. to 3:35 p.m.
- refrain from the entry of locked facilities
- refrain from the misuse of fire alarms or extinguishers.

Students who demonstrate unwillingness to cooperate in maintaining the school standards, including the support of the above principles, seriously jeopardize their privilege of continuing in school.

Harassment

Harassment is any unwelcome physical or verbal behaviour. Harassment occurs when such conduct undermines another individual's personal dignity by causing embarrassment, discomfort, humiliation or offence; or such conduct interferes with an individual's work performance or learning opportunities by creating an intimidating or hostile work or learning environment.

Bullying

We are committed to providing an environment in which all individuals are treated with respect and dignity. Each individual has the right to work and to learn in a safe setting which promotes equality of opportunity and which prohibits discriminatory practices.

Policy for Bullying Prevention

Peace Hills Adventist School believes that all students have

a right to a safe and healthy school environment. The school and community have an obligation to promote mutual respect, tolerance, and acceptance.

Peace Hills Adventist School will not tolerate behaviour that infringes on the safety of any student. A student shall not intimidate or harass another student through words or actions. Such behaviour includes direct physical contact, such as hitting or shoving, verbal assaults such as teasing or name-calling; social isolation or manipulation, and cyber bullying such as posting harmful material or engaging in other forms of social cruelty using the internet or other digital technologies.

The Peace Hills Adventist School is committed to providing an environment in which all individuals are treated with respect and dignity. Each individual has the right to work and to learn in a safe setting which promotes equality of opportunity and which prohibits discriminatory practices.

Peace Hills Adventist School expects students and/or staff to immediately report incidents of bullying to the head teacher or administrator. Staff members are expected to immediately intervene when they see a bullying incident. Each complaint of bullying should be promptly investigated. This policy applies to students for any activity on school grounds while traveling to and from school, during the lunch period or any other school-sponsored activity whether on or off campus.

Student Code of Conduct should include, but not be limited to the following actions and consequences:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the Head Teacher or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.

If the complainant student or the parent of the student believes that the investigation or complaint PHAS not resolved appropriately, the student or parent of the student should contact the principal or the school office. The school prohibits retaliatory behaviour against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behaviour include, but are not limited to the following:

- The school will make reasonable efforts to keep confidential a report of bullying and the result of the investigation.
- Parental concerns regarding acts of bullying toward their child will be logged and investigated, followed by feed-back to the parents.
- Staff members will immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident. Such reporting will not

reflect on the victim or witness in any way.

Dress Code:

The dress code at PHAS is based on principles of modesty, safety, common sense, and Christian morality.

- Clothes should be clean, in good taste, modest, and properly fastened.
- Any clothing or accessories with slogans or pictures must be in good Christian character.
- It is encouraged that jewelry be left at home.

School Ground Leave:

In the interest of student safety, students will not be allowed off PHAS school grounds during school hours (8:25 a.m. to 3:35 p.m.) unless the student has been signed out at the office by an approved parent/guardian. Please notify the school in writing if you have arranged alternative transportation for your child.

Discipline Philosophy and Procedure:

- As outlined in Sections 36 & 37 of the Education Act, we believe that we are responsible for our actions and that every action has a consequence. Taking responsibility for our actions is the main purpose of our disciplinary philosophy.

General Misbehaviour:

Acts of misbehaviour will be dealt with on a 'situation by situation' basis. The consequence to any misconduct will depend on the circumstances.

Serious Misbehaviour:

Serious misbehaviour such as fighting, harassment, defying teachers, misuse of fire alarms and devices, stealing, vandalism, etc... will result in immediate consequences such as suspension, the duration of which will be determined by the Head Teacher or Administrator. Parents/guardians will be contacted and a meeting set up to discuss the problem and possible solutions. As a result of that meeting, an agreement based on the Behaviour Report/Agreement will be entered into. In severe cases a meeting with the PHAS School Board will take place.

Parents/Guardians and students are encouraged to communicate to the staff of PHAS concerns that they may have. Following Matthew 18, this process is as follows:

1. Initial contact should be between the parent/guardian or student and the staff member concerned. The staff member may document this contact.
2. If the parent/guardian or student does not feel that the concern has been resolved, he/she should inform the Head Teacher or Administrator, who will then seek to mediate the settlement.
3. If this mediation does not resolve the issue (or the concern is with the Head Teacher / Administrator), the parent/guardian may contact the School Board Chairperson.
4. If this issue remains unresolved, at this point the PHAS School Board will be presented with the concerns and the mediation process will continue.

5. If this Board mediation does not resolve the issue, the parent may contact the Education Director for the Alberta Conference Seventh-day Adventist school system. Contact information may be obtained from the school's office.

Student Code of Conduct:

Students who attend PHAS are expected to support the school and its philosophy of providing a quality and wholesome Christian education to its students. In particular, they agree to the following:

- Strive to achieve personal excellence in all that I do: academics, extracurricular activities, service to others, and behaviour;
- Respect God and strive to follow Jesus Christ;
- Treat others with dignity and respect, acting with compassion and kindness;
- Faithfully develop the gifts and abilities God has given me;
- Be truthful and uphold my integrity;
- Show pride in my work;
- Contribute to a positive learning environment;
- Respect and honour my parents and teachers for their knowledge, guidance, and support;
- Refrain from harassment and bullying of any kind.

Academic Honesty Policy:

It is critical that students are aware of situations that may arise where they are tempted to act dishonestly, and of the consequences that these acts will result in. In order to prevent situations where cheating or plagiarizing may take place, students will acquire skills with respect to documentation of sources (bibliography, endnotes, and quotations) and studying. Appropriate consequences (academic penalties, suspensions, etc.) will apply to acts of plagiarism, cheating, collusion or other acts through which a student unfairly misrepresents his/her effort or achievement.

- "Plagiarism" occurs when a student knowingly takes someone else's work or ideas and passes it off as their own (on either academic assignment, project, test, or examination).
- "Cheating" occurs when a student acts dishonestly or unfairly in order to gain an advantage.
- "Collusion" occurs when a student knowingly allows his or her work to be submitted by another student.

Student Clubs

If a group of students requests to establish a voluntary student organization (Student Club), they may make an application to the Administration by filling out a "Student Club Application" (found in the School Office). The application must include club name, purpose, proposed activities, meeting frequency, time and place, budget requirements, student organizers, and requested staff advisor. The decision to approve the establishment of a Student Club will reside with the Administrator and School Board. The school guidelines for Student Clubs have been established by the Alberta Conference of Seventh-day Adventist and are as follows:

1. All club activities must be congruent with school's Mission and Vision.

2. All student clubs must build student morale, contribute to the community through acts of service, and build positive support for the school.
3. All club activities must be inclusive to all students (regardless of race, sex, gender identity, religion, national origin, disability).
4. All club meetings and activities must be voluntary and student-initiated.
5. All club activities must be supervised by the staff advisor.
6. All club activities must have prior approval from the Administrator.
7. Club meetings and activities must occur during non-instructional time.
8. All published student club materials must be approved by the Administrator.
9. Clubs may have guest speakers but may not have regular attendance by non-school persons
10. The school will not expend funds beyond the incidental cost associated with providing the space for student-initiated meetings.

General School Information:

Student Accident Insurance:

Each student is covered by twenty-four hour accident insurance with Industrial Alliance Pacific Insurance Financial Services Inc. This insurance does not duplicate Alberta Health Care coverage.

If a student receives an injury, or is involved in an accident which could be covered by accident insurance, contact the school office for more information and to receive an accident claim form.

Bicycles and Vehicles:

For safety reasons, students are asked to not ride or use their bicycles, scooters, skateboards or rollerblades on the school grounds during school hours. Failure to comply with these regulations may result in forfeiting privileges. In compliance with existing laws, students are required to wear proper bike helmets.

The school assumes no responsibility for bicycles or motorized vehicles at the school beyond the customary playground supervision at recesses and noon.

Computer Use:

The use of the Internet and computers provides real educational benefits to students. Access to computers and the Internet is given as a privilege to students who agree to act in a considerate and responsible manner under the direction of the teacher. We require that students and parents or guardians read, accept and sign an Acceptable Computer Use Policy Agreement at the beginning of the school year.

Field Trips:

Parents/Guardians that have offered to drive for school field trips, must bring proof of \$2 million public liability insurance and a criminal record check.

Library:

Students are encouraged to make use of the books in our library. We ask that books be handled with care and returned by the due date. Students will be financially responsible for lost or damaged books.

Locks:

The school provides lockers or cubbies for the students' personal use. The school, however, cannot take responsibility for the contents in the lockers. Valuable property should not be brought to school. The school retains its ownership rights to the lockers and may at any time inspect the lockers and confiscate articles which should not be on school premises.

Lost and Found:

Please check the Lost and Found box periodically. Several times a year the lost and found box will be emptied and the contents will be put on display. Any unclaimed articles will be donated. Valuable and small lost and found items will be kept in the office. Students may ask for a lost item at the office.

Medication Policy:

At registration, a health statement, including allergies or any other special medical issues, must be filled out by the parent / guardian. The parent / guardian of the student assumes responsibility for informing the Head Teacher of any change in the students' health.

The school will not supply medication for students. It is the parents' responsibility to provide any medication that a student requires.

The school will generally not administer medication to students. However, if as an activity of daily living, a student is required to take medication during school hours and the parent / guardian cannot be at the school to administer medication, a staff member in the presence of an adult witness, may assist by overseeing the child administer pre-measured doses of medication provided by the parents. The following regulations will be adhered to. Written instructions signed by the parent / guardian and physician are required and will include the following: student's name, name of medication, purpose of medication, time of medication, dosage, possible side effects and procedures to follow in case of an adverse reaction, and termination date of administering the medication. Parents who request the school to assist with medication will be required to fill out the "Administration of Medication" form.

It is the parents' responsibility to notify the Head Teacher in writing of any medical issues their child may have, initiate medication at home, and notify the principal in writing of any change in medication or medical condition.

PHAS retains the right to reject requests for administration of, or assistance with medication.

School Visits & Security:

Parents who wish to visit with a teacher are asked to do so after school hours. Making an appointment will ensure that the teacher is available. Parent visits before school are strongly discouraged as teachers need to be available to greet students and help them get ready for a prompt school start at 8:25 a.m. Thanks for your help.

PHAS students wishing to invite a relative or friend to school must first make arrangements with the teacher(s) involved. Students from other schools are to do their visiting after school hours only.

Emergency and Safety Procedures:

The safety and wellbeing of all students and staff are a top priority for the PHAS Board and Administration. As such, PHAS has an established Emergency Action Plan, which includes fire evacuation, lockdown, bomb threat and First Aid/Medical Emergency Care. Fire and lockdown drills will be held periodically throughout the school year. Students are educated on the emergency procedures at the beginning of each year. Additionally, student fire evacuation and lockdown procedures are posted in visible areas of each classroom. PHAS strives to provide all staff with first aid training.

Fire Drills:

A specific number of fire drills are required of each school during the school year. Whenever the fire alarm rings, everyone in the building must leave through the designated doors and meet in assigned areas. Each classroom has a map posted near the door showing the route to be taken and the place to assemble. Teachers will stay with their classes at all times while outside. The signal to re-enter will be given by a member of the administrative team.

Lockdown:

A lockdown is an emergency procedure where students, teachers, and faculty are confined to their rooms due to a perceived or real threat either outside or inside the school. Throughout the school year, a number of lockdown drills will be practiced. A lockdown drill is much like a fire drill in that it is a drill or practice to help students be prepared and not to panic if a real threat were to occur. Teachers will educate their students on the specific procedures required for a lockdown. Drills can be scary and students may feel threatened, however, because safety is our number one priority, they are necessary.

School Closures:

In the event of a blizzard or severe weather with the windchill of -40° Celcius or below PHAS will be closed, and classes will continue through Zoom. While the day schedule will be varied, classes will begin at 8:25 am, and teachers will be available on Zoom until 3:40 pm. Faculty will contact parents through either phone, text, or email to alert them of the closure. It is important to keep your contact information updated with your child's teacher.

Weapons:

Students are not allowed to bring or use any objects construed as capable of causing bodily harm. Items found in and around

the school that could cause injury are also not allowed to be used for the purpose of physically injuring others.

Telephone:

A courtesy phone is provided for students to use during school hours when they need to make personal phone calls. If parents/guardians need to call their child(ren) or teacher(s), it would be preferred that they call at recess, noon break, or after school.

Responsible Technology Agreement:

Students, staff and administrators at PHAS have the opportunity to access the PHAS network to facilitate educational and professional growth objectives. Network/Internet access opens up a vast resource for school entities throughout the world and allows users to reach out to many other people, to share information, learn concepts and research subjects. With this educational opportunity comes responsibility. It is understood that PHAS does not have sufficient resources to monitor every aspect of network use. However, the purpose of these guidelines is to foster the independent use of the network, subject to compliance with procedures and standards for appropriate network behaviour and communication. All PHAS computer users must follow the guidelines set out in the PHAS Responsible Technology Use Agreement.

Privileges:

The use of the PHAS network is a privilege, not a right. As such, inherent with this privilege, are responsibilities with which the school expects full and complete compliance. Breach of these responsibilities may result in loss of complete access privileges. The school has the right to review any material stored on its network and to edit or remove such material as well as to monitor all network activity. The user is held responsible for his/her actions whenever using PHAS's technology. Inappropriate/ unacceptable uses of the PHAS technology will result in the withdrawal of computer privileges. All users of PHAS technology will agree to respect the equipment, security and privacy of other users. The school Principal in conjunction with the System Administrators will deem what is appropriate use and their decision is final. The System Administrators may close an account at any time as required. The administration and school staff of PHAS may request the System Administrator to deny, revoke, or suspend specific user accounts or specific privileges such as Internet or email at any time as required.

Property:

The PHAS network and e-mail system is the property of PHAS. Unauthorized use of the network and e-mail system is prohibited. Access to the network and e-mail and other online systems of PHAS is a privilege granted to users by PHAS and may be revoked or withheld at the discretion of the Principal or designates.

Privacy:

Users do not have a personal privacy right in any matter created, received, stored in or sent from the PHAS network or e-mail system. The Administrator or designate reserves the

right to access any files to determine whether or not a student or employee is using the system for items of true “educational value”. The Administrator or designate may at times and without prior notice, monitor and review e-mail messages and web site retrieval by network users to ensure proper use.

Personal Safety:

The following rules will help promote user personal safety:

- Protect personal privacy, as well as the privacy of others. Do not give out personal information (address, telephone, number, parents’ work address/telephone number, or name and location of your school);
- Let someone in authority know right away if you come across any information that makes you feel uncomfortable;
- Never agree to get together with someone you meet online;
- Never send a personal picture or any other personal information;
- Do not respond to any messages that are inappropriate, mean or in any way make you feel uncomfortable;
- If you are being harassed let someone in authority know.

Accounts and Passwords:

Complaint Process for School Operations

We recognize that, from time to time, questions, concerns and/or complaints may arise regarding the operation of the school and/or the Conference school district. At PHAS we will attempt to address these in a courteous, timely, and constructive manner. Our desire is to do so as close to the source of the concern or complaint as possible, in a manner that is fair to parents, students, members of the community, and PHAS school staff and administration. An individual's concern will be given respectful attention while upholding the integrity of the educational system. When raising such questions, concerns or complaints we ask that they be made at an appropriate time and place in a respectful manner. They must not be made: in the presence of students, or during class time, as the initial contact person is usually the teacher, or when the issue is related to an employee, in the presence of the employee's coworkers. For questions, concerns or complaints regarding school matters, instruction, discipline or learning materials the sequence below should be followed: 1) teacher, 2) school Administration (Head Teacher and Administrator), 3) School Board Chairperson, 4) Education Director for the Alberta Seventh-Day Adventist Conference

A concern or complaint will be handled in a confidential manner. In order to resolve the concern or complaint, in accordance with the Freedom of Information and Protection of Privacy Act, the information about the concern or complaint and the identity of the person lodging the concern or complaint must be disclosed to: the person or persons named in the concern or complaint, those persons who need to be contacted for information about the concern or complaint, or those persons who need to know about the concern or complaint as part of their duties, or those persons who will be responding to the concern or complaint. No action will be taken on anonymous complaints other than to refer it to the appropriate supervisor.

A PHAS employee who is contacted by a parent, student or community member with a concern or complaint will advise the person of the Complaint Process. Every effort should be made to resolve the concern or complaint at the earliest stage of the process. Each step in the process is completed in a timely manner to avoid unnecessary delays.

There are four levels of complaint process:

Level One - When a parent/guardian, student or community member has a concern or complaint, the first step is to raise the issue with the individual PHAS employee at the school. The employee(s) involved shall make every effort to meet with the individual with the concern or complaint. This meeting should be: a) in person, b) one to one, and c) focused on resolving the matter.

Level Two - If a resolution is not reached with the individual employee, the individual may direct the concern or complaint to the Head Teacher or Administrator. The administration and appropriate staff members shall make every effort to meet with the individual to discuss the concern or complaint. The administration and staff members will work with the individual to find a resolution.

Level Three - If the matter is not resolved at Level Two with the Head Teacher or Administrator, the individual may direct their concern or complaint, in writing, to the PHAS Board Chairperson. The written documentation shall outline: a) the nature of the complaint and b) the steps taken, at the previous two levels to resolve the matter directly with the employee(s) involved. The PHAS Board Chairperson may meet with the individual directly to ensure the issue is heard. The PHAS Board Chairperson shall consider the concern or complaint, which may include gathering information, and involving other members of PHAS administration as required. If the concern is regarding an educational program, the student's educational program shall continue in a manner established by the Administrator until the review of the concern or complaint is completed. The PHAS Board Chairperson shall communicate his/her decision on resolution of the concern or complaint in writing, including a rationale for the decision, within 10 business days from the date of the meeting with the individual.

Level Four - If the matter is not resolved at Level Three with the PHAS Board Chairperson, the individual may ask for the Alberta Conference of SDA Education Director to review the concern or complaint. The request shall be in writing and include a description of the nature of the concern or complaint; steps taken to resolve the matter; a description of the decision complained; and, the reasons for the review request. The Education Director may meet with the individual to ensure the issue is heard. The Education Director shall communicate a decision on the resolution of the concern or complaint in writing, including a rationale for the decision, within 10 business days from the date of the meeting with the individual.

Appeals

A parent/guardian or a student, who is 16 years of age or older, may appeal a decision made by a PHAS employee that significantly affects the education of a student, provided there are sufficient grounds for the appeal. In order for an appeal to demonstrate sufficient grounds for appeal, it must claim that the PHAS employee failed to substantially follow procedures as laid out in the Student Handbook or applicable legislation or regulations; made a decision that PHAS influenced by bias; made a decision where there PHAS no supporting evidence; or made a decision that PHAS not reasonable. The failure of a person to make a decision is deemed to be a decision that may be appealed.

The determination of whether a decision "significantly affects the education of a student" must be made on a case-by-case basis. In the context of an appeal, an event will be deemed significant if it results in some kind of loss or jeopardy to a student.

The parent/guardian or student asking for an appeal must demonstrate that the decision prejudiced the student or that the action complained of materially influenced the decision.
